We send out a regular ministry update about work and life to those who are interested. Through the updates we hope to give a better picture of everyday life in the mission field. Many of those who receive our updates have committed to praying for us and to supporting us financially. You can receive the updates by e-mail (subscribe here) or by regular mail (send us an [e-mail](#)). [From this link](#) you can read some of our updates from early 2006.

HELP TO FILADELFIA

Next Thursday, Friday and Saturday our staff will be going to help the most flooded are of Guanacaste, Filadelfia. Yesterday after 11 days of continuous rain, 630 persons had been evacuated to shelters. If the water goes down, we will be helping to clean houses from mud and water, and if the water is still high, we will be handing out food, clothes, diapers and hygiene products in the shelters, working with children also. We will be working under the National Emergency Committee.

Would you like to help? We are looking for donations to buy diapers and hygiene products, also medication if needed. Send us an e-mail or call us if you want to help in any way. I think I will be able to come to internet on Monday again.
