We send out a regular ministry update about work and life to those who are interested. Through the updates we hope to give a better picture of everyday life in the mission field. Many of those who receive our updates have committed to praying for us and to supporting us financially. You can receive the updates by e-mail (subscribe here) or by regular mail (send us an [e-mail](#)). [From this link](#) you can read some of our updates from early 2006.

Dear friends,

Sorry for a long time of silence... our computer broke right after we wrote an update about 2 months ago and right before we got the chance to send it out. The computer was fixed, the files saved, so here we go! The linked newsletter is old, but important so we are still sending it out.

Some of the more recent happenings:

Diego is continuing his effort to help earthquake victims. He is putting together a second group of local people from our home area to go build a house.

We received a high school senior group from Arizona who distributed 78 Bibles house to house praying for people. We have now distributed 138 out of 94 300 Bibles! We are looking for Bible donors in the States to be able to ship a container down. We can get the cheapest and best Bibles there.

This week we have a group from YWAM Heredia. We are visiting different schools giving presentations about Stewardship of Natural Resources. There is a big need for that and the response has been good.

God has answered two of Julia's prayers in a very concrete way. The first one was a keyboard that was given to us and another one a horse! Her horse is called Mr Wilson and it really is a blessing for all of us. We hope to get more horses, because we just received the news that more cowboy teams are coming to Guanacaste!

Thank you for your continuous support and prayers!

Your partners in ministry,

Diego, Salla, Troy, Julia and Nic Markus
